

# 13<sup>th</sup> International Wound, Ostomy and Continence Nursing Advanced Program

WOCN Advanced Program(WOCNAP) was accredited as one of the international enterostomal therapy education programs by the World Council of Enterostomal Therapists (WCET).

This education Program was introduced as a six-month course to those with an interest in WOC nursing care in July 2002. The course, named 'WOCNAP' was to nurture future leaders in the related fields by helping them to gain their knowledge about the subject of WOC nursing. Since the 5th International WOCNAP in 2004, International WOCNAP has successfully progressed with participation of 19 nurses who are from diverse nations; Philippine, Taiwan, Sri Lanka, Hongkong, China, Singapore, Cambodia and 24 nurses from Korea.

The 13th International WOCNAP, which consists of a total of 320 hours of lecture and clinical practice, starts on October 14, 2013. Lectures are proceeding in English. Any nurse interested in WOC nursing care is eligible to apply for admission.
