

CALL FOR PAPERS TO CANCER CARE RESEARCH ONLINE

The editorial board of Cancer Care Research Online, an open access journal, invites you to submit a paper that would be a foundational contribution to cancer care and cancer care research such as:

- a concept analysis
- conceptual or theoretical framework analysis
- instrument translations papers

There are certain advantages to publishing your work in this open access journal: if accepted, you would have full access to use your published paper at any time and for any purpose of your choosing without needing to get permission from our publisher. Further, your work would move forward to publication quickly within just a few months.

Additional information for authors, such as guidelines and instructions on how to submit papers, can be found at <https://journals.lww.com/cancercareresearchonline/Pages/informationforauthors.aspx>.

If you have any questions, please feel free to contact us at cancernursingeditor@gmail.com.

We look forward to submitting your work to our peer-review system!
